The Avalo® Difference

Avalo Medical Carts blend careful design, functionality, and logical organization to enhance user efficiency and support the delivery of superior patient care.

1. Durable, high-impact panels, built for long-term reliable performance. Stain, scratch and dent resistant.

2. Medications and supplies are secured with a selection of innovative locking systems including key, keyless or quick-access breakaway locking.

3. Flexible divider systems and removable drawer trays provide optimal visibility, grouping and organization of medications and supplies.

4. Seamless drawers, smooth panels and work surface promote simple cleaning.

5. Accessory options position equipment and supplies close at hand for easy access and improved efficiency, keeping the workspace clear.

6. Three drawer depths provide ample capacity to store and organize medications and supplies.

7. A lightweight ergonomic design and spread caster position provides stability control and ease of maneuverability.

Meeting the Needs for a Variety of Care Applications

Avalo Medical Carts can be deployed in a variety of care settings.

- Hospitals
- Surgery Centers
- Physicians’ Offices
- Assisted Living Facilities
- Veterinary Clinics
- Dental Offices

Find the ideal Avalo Medical cart to fit your care application with new easy-to-order convenient packages, or custom configure a solution to meet specific workflow requirements.
**Avalo® Series Medical Carts**

**Emergency Cart**

The Avalo Series Emergency Cart blends careful design with functionality and logical organization to provide reliable performance and improved workflow in emergency departments. A unique breakaway locking handle offers optimal security and the swift, simple access essential to every emergency response. Stable maneuverability is built in and a full line of accessories enhance user efficiency.

Avalo® Series Medical Carts

Isolation Cart

The Avalo Series Isolation Cart provides ample drawer space to store and organize all of your isolation supplies, from gloves to gowns. Smooth panels, work surface and seamless drawers promote simple cleaning for infection prevention. Drawers open fully for easy access to contents in the rear of the drawer and stay closed when the cart is in motion. Avalo’s superior design offers durable performance for long-term value. The Avalo Isolation Cart is available in convenient packages (shown below) or custom configurations.

I.V. Therapy Cart

The Avalo Series I.V. Therapy Cart facilitates the organization of supplies for use in I.V. preparation. Keep everything in its place with optional drawer divider systems and storage bins. A large work surface offers ample room to prepare I.V. solutions. Expand your work area with a slide-out work surface, positionable on the right or left side of the cart.

Critical Care Cart

The Avalo Series Critical Care Cart is built to promote efficient workflow and task management in critical care environments. The durable frame and spread caster position ensure stability, while making the cart easy to move and control. A full complement of accessory options facilitates efficient workflow, and a choice of lock systems ensures the security of critical care supplies.

Medical/Surgical Cart

The Avalo Series Med/Surg Cart meets the demanding requirements of an ever-changing hospital environment. Every Med/Surg Cart accommodates the latest technology solutions and monitoring equipment to ensure efficient and streamlined workflow. Select from an array of drawer divider and tray solutions that offer flexibility for organizing supplies.

The Avalo Series AC Anesthesia Cart offers the latest design and technology to meet the unique requirements of anesthesia storage, organization and security. Flexible drawer configurations combined with optional drawer dividers and trays promote orderly storage.

Keyless Access with Automatic Relocking and optional security upgrades.

Three drawer depths provide ample capacity to store and organize medications and supplies.

Avalo® Series Security Features

Lock System Options

Lock System Choices

**AutoLock™**

Automatically secures a motionless unlocked medical cart with a user-defined relock time delay from 1-99 minutes. AutoLock permits up to 5,000 individual user codes to further enhance cart access tracking and security. SLA battery operated. AutoLock security upgrades available.

**Keyless Access with Manual Relocking**

Simply enter a 4-digit access code, push down the lock lever and the cart is ready for access. To secure the cart, simply push in the lock lever. Clear visual indication of lock status is apparent from a distance.

**Key Access with Manual Relocking**

Featuring the Best® Core Removable Lock System, this basic yet proven lock system provides your medical cart advanced security and the flexibility to change keys easily.

**Breakaway Lock**

The Avalo Emergency Cart’s unique breakaway locking handle is standard on every model, offers the security you require and ensures quick access to medications and supplies.
