The non-powered, ultra-lightweight SlimCart™ provides a flexible, cost-effective solution for clinical documentation in any healthcare environment. It’s compact profile allows for simple mobility in hallways, through doorways, and in and around a patient’s room. The SlimCart™ offers a generous work surface with a bi-directional slide-out mouse surface, and is configurable with your choice of laptop, tablet or lightweight monitor. Add optional key-locking drawers and convenience accessories to support your facility’s EHR documentation at the point-of-care.

Every facility’s mobile documentation needs are different. That’s why the SlimCart™ is designed to be flexible and easily configured to suit your technology and clinical workflow requirements.

- Hospital/Acute Care
- Surgery Centers
- Extended Care/Nursing Homes
- Animal Health Facilities
- Dental Clinics
- Physician’s Office
- Education Simulation
- Rehab Facilities

**General Specifications**

- **Starting Weight:** 27 lbs
- **Height Range:** 33.25” to 49.5”
- **Adjustment Range:** 16.25”
- **Footprint (width front to rear):** 15.35-16.02” x 16.73”
- **Work Surface - Work Area:** 14.52” x 12.35”
- **Work Surface - Outer Dimensions:** 17.28” x 20.39”
- **Drawer - Inner Dimensions:** 9.6” W x 8”-10.8” D x 2.7” H
- **Casters:** 4” (front locking)
- **Lift Type:** Manual Assist
- **Display Max Weight:** 8 lbs
- **Warranty:** 3 years, parts only

**Storage Options**

- **Single Drawer**
  - Single key-locking removable drawer with drawer dividers
- **Double Drawer**
  - Dual key-locking removable drawers with drawer dividers
- **Single Technology Drawer**
  - Single key-locking removable drawer for secure ventilated storage of technology or battery packs

**Technology Secured**

Secure your laptop with an optional security bar

**Secure Tablet Mounts**

Locking tablet mounts secure a range of tablet sizes

**Computing Flexibility**

Supports lightweight monitors weighing up to 8 lbs

**SlimProfile**

Compact size maneuvers easily through tight spaces

**Ergonomic Adjustment**

Simple height adjustment to accommodate standing or seated use

**Storage Drawers**

Optional single or dual locking drawers for efficient and secure storage
