### Quick-Access Lock

Avalo's unique breakaway locking handle offers optimal security and the simple access essential to timely emergency response. A swift downward swipe breaks the tamper evident seal, allowing access to all drawers

### Pediatric Cart Features

- Precision-welded steel frame with durable, high-impact panels
- Lightweight design and profile simplify movement
- Quick-access lock offers security, yet allows quick access for code response
- Smooth panels, work surface and seamless drawers promote simple cleaning for infection prevention
- 10-year limited warranty

### Convenient Accessory Package
