The **M38e** from Capsa Healthcare is an evolution of the most proven point-of-care computing cart in healthcare. With updated features that provide superior ergonomics, enhanced ease-of-use, and expanded storage flexibility, the M38e maximizes clinical efficiency and elevates the performance of your health IT program.

- Smaller profile glides through tight care settings
- Large work area with additional 100 square inch expandable surface feature
- Increased battery runtime for improved uptime performance
- Large CPU storage area for expanded tech organization
