

Kirby Lester KL1

Pharmacy Automation Service Plan

Your service contract for your Kirby Lester KL1 device is about to expire or has already expired. Please talk with your Capsa Healthcare customer service representative about renewing your annual service plan and protecting your KL1, the workhorse of your pharmacy.

When Your KL1 **is Protected** by an annual service contract

- If your device needs service at any time, repairs and/or replacement as needed are included for 1 year.
- Expert Telephone Support, 7am to 7pm Central Time, Mon-Fri.
- Fast service at Capsa's Columbus, OH headquarters for occasions where your device needs physical repair.
- 12-step KL1 comprehensive inspection, which includes:
 - » Thorough interior & exterior cleaning
 - » Repair components that do not meet specifications
 - » Perform extensive count-accuracy testing
 - » Complete diagnostics

If Your KL1 **Is Not Covered** by an annual service contract

- Capsa Healthcare will offer basic troubleshooting over the phone.
- Any additional phone diagnostics will be performed at an hourly service rate.
- If your KL1 is determined to need repair, you will be charged for labor, parts, shipping.

Contact Capsa today to renew your Kirby Lester service contract
