

# Medication Carts

## Vintage Encore™ Series

The extended care industry's benchmark for furniture-like medication carts is Vintage Encore from Capsa Healthcare. Valued for durability, security, and capacity, Vintage Encore carts add enhanced styling and work-saving features.

Vintage Encore is ideal for extended care facilities that value modern décor and elegant touches. Strike the right balance of appearance, function, and value.

### The Vintage Encore Difference

- Several options to mount computing devices for EMR/EHR and maximize work surface
- No-bounce extended work surface
- Soft-close drawers
- Sleek 1-piece stainless steel drawer handles
- Full selection of accessories and locking systems to streamline workflow and improve organization
- Expanded bumper system protects facility walls
- Premium casters simplify cart movement by 20%

**VE4-AP automated packaging cart**
