

# V6 Technical Information

The V6 supports a monitor and keyboard—along with hardware, shelves and other accessories—within an ergonomic adjustment range for easy positioning to provide a healthy computing experience and encourage engagement with patients. Its sealed cable management system also promotes organization and mitigates infection control concerns.

## The V6 will be sent in two boxes:

- Components box (including monitor arm(s), keyboard trays and accessories): 27.6" H x 14.6" W x 7.1" D, 10 - 20 lbs. (dependent upon the components in the box)
- Track box: Dimensions and weight vary with track length. See below.
- 25 units per skid

## Master Carton Dimensions and Weights for V6 Track Lengths

- 27" Track Dimensions: 29.9" H x 6.9" W x 4.9" D\* Weight: 6.2 lbs. (net weight); 7.9 lbs. (gross weight)\*
- 37" Track Dimensions: 39.8" H x 6.9" W x 4.9" D Weight: 7.5 lbs. (net weight); 9.7 lbs. (gross weight)
- 47" Track Dimensions: 50.0" H x 6.9" W x 4.9" D\* Weight: 9.0 lbs. (net weight); 11.7 lbs. (gross weight)\*
- 57" Track Dimensions: 59.8" H x 6.9" W x 4.9" D Weight: 10.3 lbs. (net weight); 13.4 lbs. (gross weight)

# V6 Technical Information

- 20 inches of near effortless monitor and keyboard height adjustability.
- Customizable track is available in five standard lengths: 12 inches, 27 inches, 37 inches, 47 inches 57 inches.
